

UNISON

the
union
for

all ambulance staff

If you work in the ambulance service UNISON is the union for you, whatever job you do.

It takes a whole team of staff to provide a world class ambulance service. Mechanics, technicians, paramedics, control room staff and more all working together to save lives and help people.

UNISON is proud to represent ambulance staff and is proud of our network of ambulance reps, who all work in the ambulance service just like you. They know first-hand about the issues facing you at work and the pressure you are under - whether it's low pay that doesn't accurately reflect the work you do, job losses

that pile pressure on remaining staff or keeping you healthy and safe at work. UNISON is the union that is out there campaigning to make things better and delivering real improvements for ambulance staff.

Your concerns are our concerns. Join UNISON and add your voice to ours. Be part of the union that gets results.
